YL School Board Votes For Fullerton Unification

YORBA LINDA — The Yorba Linda Elementary School District Board of Trustees voted to recommend that the district unify with the Fullerton district along high school boundary lines.

The action was based on a report by a citizens committee appointed several weeks ago to study the matter and report to the board.

According to the citizen's report to the board the committee, "conscientiously studied the educational programs of each alternative, as well as financial support available, projected property development (residential, commercial, and industrial), location of schools, community desires, and the legal requirements and calendar dates to be met by the board."

"Following consideration of all the information presented by the several sub-committees, the Citizens Committee by a simple majority voted to recommend to

the Board of Trustees that they proceed to unify on the Fullerton Union High School District Boundaries."

Committee head, Sam Saren stated that he was unhappy with the decision of the committee and felt that it appeared many members wanted simply to maintain the status quo. Saren also resented what he termed "board interference."

Other committee members refuted his statements, complimenting the committee and its ability to work together. They also felt the committee represented a cross-section of the community and reflected community opinion. "Board interference," was explained by one committee member who stated that she felt the presence of Sterling L. Fox, superintendent, and assistant superintendent, J. Elton Patridge, was vital to insure the committee was provided with the necessary information.

PUSD Will Apply For State Money

PLACENTIA — The Placentia Unified School District will file for state aid in the construction of about two-thirds of the proposed Glenview Elementary School on a site the district holds on Glenview Avenue, just east of Atwood. The Board of Education voted Wednesday night at a special board meeting to make application to the state for these building funds.

Dr. Earle Brewer, assistant superintendent, told the board that if the district didn't act quickly, the state might order the district to sell this parcel and another site, located in east Fullerton, known as the Topaz-Sapphire site.

The land was purchased with state aid money as future school sites. The State Bureau of School Planning expects construction on these sits within a five year period, or will order the district to sell the property.

The board took no action on the northwest property and Dr. Brewer indicated that the district might consider selling this property and purchasing land in an area where there is more housing to create a school site need.

PUSD Board Appoints Two Principals

PLACENTIA — The Board of Education of the Placentia Unified School District transferred Morse School principal Marvin Dutcher to the new Fairmont Elementary School due to open this fall at Fairmont and Yorba Linda boulevards. New principal Nickolas Siokos will take Dutcher's place at Morse.

The board also approved a reward system for vandalism. The reward will equal approximately the amount of damage caused by the vandals but not to exceed \$100. In addition the parent or guardian of minors was made responsible for the amount of damage caused by their children.

The board postponed a proposal to have an open campus at El Dorado High School for seniors during lunch time. The idea originated with the student council at the school. Board members wanted to survey parent approval of the program before allowing a trial program.

terms and Howard Herbert won the two year seat in elections to fill four vacancies on the Placentia Unified School District Board of Trustees last week.

Yates led the field with 1365 votes with Mrs. Beckius second at 1285 and Zavala third with 1135. Trailing the winners were Howard Topp, 894; John Heiertz, 759; Jay Rowen, 676; John Balducci, 655; Josh White, 596; James Eyre, 585; Roland LaBerge, 400; Bruce Sharp, 386; Bruce Fink, 373; Robert Crescenti, 361; Robert Hill, 352; Russell Boveia, 217; Leo Richards, 112; and Bradley Lantz, 96.

For the two-year term Herbert led Anthony Morales 1281 votes to 1174 votes. Trailing badly were Frank Freeman with 312, James E. Cook, 223; Richard Ford, 221; Leon Korba, 218; and Robert Mitchell, 86.

A total of 3,367 voters went to the polls of 14,553 registered for a 25.19 per cent turnout.

Herbert will take his seat at the next regular board meeting while Yates, Mrs. Beckius and Zavala will be seated July 1.

In the North Orange County Community College District elections incumbents Felix LeMarinel and Melvin Hilgenfield were returned to the board in district one, defeating Ross Curry by nearly two to one.

In Area three Robert Hawthorne polled 18,033 votes to Rosann Roberts 9,178. Both are from Yorba Linda. Mrs. Mary Pat Toups were reelected unopposed in Area four.

In the Yorba Linda Elementary School District a light turnout formalized the election of Gerald Rost and Gene DeGaine to four year terms on that board. They were unopposed.

City Council Will Revise Camper Ordinance

PLACENTIA — The City Council has instructed the city staff to prepare an ordinance for consideration at its next regular meeting which includes major changes in the city's ordinance regulating the parking of recreational vehicles.

Under the proposed ordinance motorized vehicles such as motor homes, camper trucks and dune buggies would be allowed to park in the front yard setback but non motorized recreational vehicles, such as trailers, campers not on trucks, and boats, would still be

prohibited.

In addition a provision allowing on street parking of trailers for the purpose of loading and unloading for a maximum of 24 hours of any 25 hour period will be included.

The moratorium on enforcement of the present ordinance will be continued until the new ordinance takes effect.

A large number of recreational vehicle owners was present for the meeting protesting both the present ordinance and the proposed amendment.

Library, City Discuss Joint Authority For Construction

PLACENTIA — Fritz Stradling, a lawyer with Rutan & Tucker of Santa Ana, explained the advantages of forming a joint exercise of power authority in constructing the new Civic Center and library on a common site.

At a Monday night meeting attended by the City Council and the library board plans were considered for forming the new authority. Stradling pointed out that advantages included saving on architectural costs, buildings matching agreeably in a central location, and sharing common facilities such as the mall, parking lot and maintenance.

He explained that the plan would be formed by community citizens other than officers of the two groups. They would be given the power to proceed with construction meanwhile letting out bonds, then leasing the facilities to the library and the city until the bonds are retired.

When mention was made that a fire station, corporation yard and police facilities were included the idea was tabled until Stradling could investigate the legal possibilities of forming an authority when unequal powers are brought to the joint exercise of power.

Criteria for selecting an architect have been set up by the City Council. The library board was invited to use them as guidelines in their selection. Jim Park, purchasing agent, has been instructed to solicit a list of architects for the city's capital improvements projects. A selection committee has been formed of Park, Robert F. Finnell, Robert P. Langer and Edwin T. Powell.

The library board will meet Monday night at the library to work on a preliminary budget study.

Vandalism Must Stop; \$22,000 Is Too Much

Steps to curb the waste of tax dollars we can ill afford to lose caused by the rapidly growing vandalism in the Placentia Unified School District are long overdue. Vandalism has now become a major problem for the district. Total damage of \$22,052.47 reported from July 1970 to March of this year, represents more than double the figure reported just one year ago.

The majority of the damage is occurring on our high school campuses with \$7,677.23 at Valencia and \$5,016.07 at El Dorado. No figures are available on the percentage of this damage caused by the students at the school but we feel that it is considerable based on information on vandals who are caught.

We feel that the first step in curbing vandalism is to instill a sense of pride in and respect for their school in the students as well as teachers and principals. Those who are proud of their school will not tear it apart.

We do not feel that this is the complete answer to the problem, however, because much of the damage, especially at elementary schools, is caused by persons not students at the schools.

Because so few vandals are caught we feel that they should be stopped before the damage occurs. Several methods of dealing with the problem are now under consideration by the board of education. We feel it is time they acted to implement some or all of these methods.

Presently being considered are the hiring of guards, the installation of an elaborate alarm system, and the offering of rewards for information leading to the apprehension of the vandals.

We feel that all three are good ideas and should be used. With guards at the schools vandals would never know when they were under observation. The alarm system would protect the schools when guards are not present.

Rewards would encourage the flow of information on who was doing the vandalism because of the financial gain, however small, to those reporting the vandals.

We feel that now is the time to act. Vandalism is now out of control and is skyrocketing. These measures are extreme but they are necessary if the public is to protect its huge investment in public facilities against those who would destroy them for their own petty pleasures.

Vandalism will get much worse before it gets better if no controls are instituted. The time is long past for half-way measures.

Congratulations To New Board Members

We wish to offer our congratulations and commiserations to the newly elected school board members. They have a tough job ahead of them in seeking quality education for our kids in the light of the fiscal and personnel problems that beset every district.

Every member in every district must have the "guts" to stand-up to the problems at hand.

Every member must do his "homework" — must expect reasonable and decisive direction from district superintendents — and be able to act decisively on such recommendations.

It is not an easy job — but it is possible if each member realizes that he is part of a team that is charged with the educational future of all of our kids. This is a tremendous responsibility.

Congratulations....and good luck!

The greens at the Alta Vista Country Club will be the scene of the event when the 50 golfers already signed up will tee off. The schedule will be from dawn to dusk, and positions have been assigned by the pro at the Club, according to the chairmen. May 6 is the day for final registration.

Not only semi-professional golfers will take part but the amateur golfer will endeavor to match stroke for stroke with the more active golfers who constantly play the course, it was stated.

Trophies will be awarded in the many categories being set up at the dinner

Round Table Is New SMILE Headquarters

Placentia's community action project, SMILE, will be headquartered in the Placentia Round Table Clubhouse over the summer months while the club is not using the building.

SMILE staff members Bruce Sandie and Ann Feyh expresses pleasure at being given the use of the building. "It will give us a home in the community," said Sandie.

The project will have exclusive rent-free use of the building through about the end of September. They will move in after the club's final activity of the year in early June.

Sandie said that they are still looking for a permanent home in the community and hope to have it ready by October.

Plans For Exploratory Work Experience Program Told

Alan Alexander, manager of Orange Mall Regional Center, and Harold G. Polley, coordinator, practical arts and vocational education of Placentia Unified School District, have announced plans for an exploratory work experience program for students of Fullerton, Placentia and Yorba Linda to be conducted at the shopping complex in Orange.

"No vocational education program is complete without on-the-job training," Polley said. He added, "Every employer looks for experienced people, but how can a student get experience without a job. The work

experience program answers this need; it serves as a 'bridge' between the classroom and the job."

According to Alexander, the Orange Mall businesses are enthusiastic about this pilot program.

Students throughout the district will be bussed to the shopping center each day for a two hour class. The employer evaluates assigned students and reports to the coordinator weekly. The two hour class will be split between one hour of class instruction and one hour in-store training. After this initial 30-hour phase, the students should be qualified to meet the requirements as part-time employees.

4-H To Have Annual Spring Dress Review

Seventy girls from 4-H clubs in this district will promenade into the month of May with their annual Spring Dress Revue on May 8 at Serro Villa Junior High School in Villa Park. With the theme "Mini-Midi-Maxi May" the girls will be modeling the latest styles they have created in their club sewing projects.

Space Is Subject Of YL Program

Dinner will begin at 7:30 with Dr. Larmore speaking at 8:30. Chief scientist at McConnell & Douglas Astronautics Company in Huntington Beach, Dr. Larmore will show slides of his projects including Skylab, keeping man in space for 56 days, medical and space operational problems and developing solutions to pollution.

The 4-Hers will report to the junior high school at 9 a.m. and beginning at 9:30 the judges will have the first look at the fashions. They will be judged on fit and workmanship.

The "Mini-Midi-Maxi May" styles will be modeled for all to see at 2 p.m. and the awards will be presented.

Sewing projects have become one of the most popular areas of 4-H. The girls ranging in ages from 9 to 19 years of age, are taught sewing in small groups with outstanding leadership. Classes include ABC's of Sewing, Separates for Fun, Mix and Match, and Advanced Sewing.

The clubs participating in the district Dress Revue are: Yorba Linda Kountry Kultivators, Yorba Linda Cloverleaf, Yorba Linda Vecinos, Canyon Bobcats, Villa Park Eager Beavers, Tustin Blue and Gold, Mission Companeros, and Irvine Star Reachers.

Physician Prescribes Manipulation For Low Back Pain

The above headline is from a column by Ben Zinser, medical science editor of the Long Beach, California, daily newspaper.

Dr. Donald Brinkley

Of course, the concept that those who suffer low back pain can be helped by manipulative therapy is nothing new to the Doctor of Chiropractic.

But we asked Dr. Donald Brinkley, of the Brinkley Chiropractic Centers, if he was aware of the report.

"Yes, indeed, I am familiar with the report Mr. Zinser refers to," said Dr. Brinkley. "I had already seen a similar story in an L.A. paper."

As a matter of fact, consider these comments made by a world-renowned orthopedic specialist last month in California as reported in the Los Angeles Times:

Their headline read: Spine Manipulation for Back Pain Urged.

Anaheim—it's a crying shame that more physicians are not interested in manipulation of the spinal cord to solve backache problems because that technique, properly done, could save an awful lot of surgery bills, a noted British orthopedic surgeon told the California Medical Association here Saturday.

Dr. Henry Cyriax was invited to address the CMA's 100th annual scientific session because

Leslie Bockian, Jeanne Valentine, Brian Stewart, Kevin Barnett, and Lori Formway.

Admission will be 75c for students and \$1.25 for adults.

Winners will be announced and prizes awarded at a championship breakfast May 11 at 8:30 a.m.

Dan March Honored At Court of Honor

Boy Scout Troop 740 held an Eagle Court of Honor Thursday for Dan March, son of Mr. and Mrs. Stephen J. March, 237 Rio Grande Ave., Placentia, at St. Joseph's Recreation Hall.

Dan March has been in scouting for 3½ years. During this time he has been an instructor, assistant senior patrol leader and presently senior patrol leader of the troop.

Dan is a member of the Order of the Arrow. He also has two B.S.A. mile swim awards, the El Camino Real

hiking award, the Camelback hiking medal, the historical trails hiking award, two 50 mile hike awards and the Toastmasters International award.

While at Camp Ahwahnee last summer he was elected senior patrol leader of all the senior patrol leaders and their assistants. Dan also received the second highest award of Camp Ahwahnee, The Tribe of Ahwahnee Conservation award. He is one of the few holders of the Scout Lifeguard award.

Dan is 14 years old and is a Freshman at El Dorado High School. He is a member of the Frosh-Soph baseball team and recently received a Freshman football letter.

The principal speaker for the evening was Police Chief Norman Traub of Placentia.

Mon Ami To Show Fashions

With summer just around the corner there will be an increased interest in travel and outdoor activities. To help usher summer in in style, Mon Ami Auxiliary of Children's Home Society is presenting a poolside fashion show featuring sports and travel clothes from local shops.

Theme of the fashion show to be held on Saturday, May 8 at the home of Mrs. Richard Jensen of Placentia, will be "Bon Voyage" with Florence Smales doing the commentary.

The fashion show will begin at 11 a.m. followed by a salad luncheon. Donation is \$3. For further information contact Mrs. C. C. Gilman, ticket chairman, at 528-3853.

Proceeds will assist Children's Home Society in providing adoption services to natural and adoptive parents. The agency is currently concentrating its efforts on locating homes for "special children" - those of mixed racial backgrounds, older children, and those with physical or mental handicaps.

Assisting Mrs. Vincent Scallon, chairman, are Mmes. Wallace Curl, George Elsaesser, Richard Jensen and Edward Metzler.

Kenton Albin Returns Home For Birthday

Spec 5 Sgt. Kenton Albin of the 196th division, cavalry, arrived unexpectedly to spend 11 days with his mother, grandmother and especially his twin sister Kathleen. Sgt. Albin is the son of Mrs. Joyce Carlson Wogberg, former Placentia resident, and the grandson of Mrs. Beulah Carlson. He left April 30 to return to his base in Vietnam.

It was learned that Sgt. Albin was the recipient of the Purple Heart Award while serving in Vietnam. He enlisted at the age of 17 and took his R and R at this time to be home for his 19th birthday.

Kraemer To Host Fashion Show May 1

Kraemer Intermediate School in Placentia will hold its annual luncheon and fashion show on Saturday, May 1 from 12 noon to 2 p.m. at the Kraemer cafeteria.

Fashions by Kazoo of Placentia and a wig demonstration by the Broadway, Anaheim will be the highlights.

Donation will be \$2 with proceeds used to purchase blackout curtains for the classrooms.

Tickets and information regarding event may be obtained by calling Mrs. Dale Folwell, chairman, at 524-5098.

Preparing for the Mon Ami sports and travel fashion show May 8 are Mrs. Richard Jensen, host for the show; and Mrs. Wallace Curl.

Alex Segovia Re-Elected To LULAC Presidency

Alex Segovia has been re-elected president of the Placentia Council of the League of United Latin American Citizens, 174, to serve through the following year.

Also re-elected is Frank Burciaga to the post of vice president. Mrs. Helen Vasquez was renamed recording secretary and Mrs. Carrie Burciaga, corresponding secretary.

Newly selected was Mrs. Angie Segovia to the treasurer's position. Others chosen were Gualberto Valadez, chaplain and Fred Aguirre, sergeant-at-arms. The senior group meets the first and third Thursdays of each month at the McFadden Elementary school library.

Additional members are now actively being sought

by the organization, Segovia stated, emphasizing that the group is non-political but based on a strong patriotic theme with emphasis on education, civic works and community projects.

Segovia said that anyone interested in joining or attending meetings may call him at 956-2715 or come to the school library at 8 p.m. on meeting days.

Boy Scouts Hold Court Of Honor

Boy Scout Troop 700 held a Court of Honor last Thursday evening at Tuffree Intermediate School.

Attaining rank of tenderfoot scouts were Rick Gardner, Mike Heider and Steve Lotze.

Receiving second class were Bruce Broyles, Greg Carter, Mike Erman, Tom Hines, Rick Mastroianni, Tom Schofield and John Yaniga.

Ken Meienberg received the safety merit badge.

Several year pins were given out which included a five year pin to Mike Meienberg and a nine year pin to Scoutmaster Ted Meienberg.

Refreshments were served by the mothers of the troop.

Raymond School Ends Drive

Raymond School students will bring their two-month collection of aluminum cans to school Friday. Purpose of the drive is twofold—to spark the interest of the children in ecological problems and to raise funds which will go towards a learning center to be built at the school.

Mrs. Robert McKibben, Parent-Teacher association ecology chairman, will award first and second prizes to individuals bringing the most aluminum. Assisting her are

Mmes. William Trosko, Donald Norman, Robert Bean and Frank Kvuska.

Upcoming PTA events include a board meeting May 4 at 9:15 a.m. at the home of Mrs. Joseph Berger, 1431 Shadow Lane, Fullerton, and a general meeting May 18 at 7:30 p.m.

in the school multipurpose room. The program, "Spring Sing" will be presented by the 5th and 6th grade choruses conducted by Mrs. Maxine Casper.

New officers will be seated at an installation luncheon May 19 at the Alta Vista Country Club.

VHS Tracksters Slay Hawks; Go Undeclared

Boasting a 78-49 victory over rival El Dorado last week, the undefeated Valencia tracksters will travel to Brea tomorrow for the last dual meet in Orange League competition.

Coach Mike Cummins' Tigers have sped through league play unmarred for the 1971 season. The Bengals' toughest opponent was Sonora but the depth and consistency of Cummins' crew proved to be the winning elements.

Highlighting Valencia's massacre of the Hawks last week was pole vaulter Jim Collins' 14-foot-7-inch leap. Collins became the area's top vaulter with his spectacular performance. Friday Collins participated at the Mt. San Antonio Invitational track meet and captured first place in the classified division.

With the weather being windy, there were some outstanding efforts in the intracity meet when the Tigers traveled to El Dorado. Junior Ken Stone ran a 19.9 low hurdle while Mark Von Iderstein won two events, beating teammate Stone in the high hurdles in 15.3 and winning the long jump at 20'3½". The Tigers swept both hurdle events.

Other Valencia firsts came from Mike Boaz in the two mile, with Alex Lopez close behind, and the mile relay team with a time of 3:37.9. Valencia also swept the discus event with Pat O'Shaughnessy first, 145'2", Steve Brown second, and Alex Covarrubias third.

Valencia's Bees defeated El Dorado 74-29, while the Cees beat the Hawks, 62-34. Orange League prelims will be held Tuesday.

EDHS Relay Teams Win Three Medals

Trent Torgerson, Bobby Johns, Greg Kempton, and Chris Jones won three medals at the Mt. SAC Relays last Friday and Saturday.

The four made up three relay teams, the mile, 880, and sprint medley. The mile relay took first for the second straight year and broke a school record with a 3:26.3. Kempton blistered his first lap in 51.3 as sophomore Chris Jones went 53.0 in the second lap. Johns

went 50.6 and Torgerson anchored at 51.4 as the team upset number one ranked Valencia.

In the 880 relay all four went below 23 seconds in the 220 for an overall time of 1:31, which was third. Kempton led off with a 22.0, seven tenths of a second better than the school record. Jones went 22.9 as did Johns. Torgerson went 22.3 as all four had their fastest times.

Hawk Cee Swimmers To Go To CIF Finals

Friday night El Dorado will participate in the CIF Southern Section swimming finals at the Belmont Plaza swimming pool in Long Beach.

Last Saturday at CIF prelims, El Dorado qualified most of the Cees that swam. The Cee relay broke another CIF record and qualified first. Dan

Kenney qualified in the 50 freestyle with a time of 24.4. Rick Mialer qualified in the breast and Jim Louderbeck qualified in the 200. The relay of Kenney, Mike Wiegand, Steve Bond, and Louderbeck also made it to finals.

El Dorado placed third in the Cees last year and will be trying to better that this year.

Tigers Lose Two Games To Tie For Last In Orange League

What a difference two games can mean in the Orange League Standings. Valencia's Varsity baseball team started the week out of first place by one game and now are sitting three games back of the pack in a last place tie with Laguna Beach.

Last Friday the Tigers banged out their 5 hits and it looked like it might be enough to win as they enjoyed a 5-1 lead in the sixth inning, but Brea-Olinda with one out and men on the first two bases got a long flyball dropped and from that point on everything seemed to go in Brea's favor.

By winning the game 9-5 Brea went from last place to

a decent third trailing second place Sonora by 1½ games.

Last Tuesday the Tigers fell to El Dorado 3-2.

Friday afternoon the Tigers travel to Santa Ana to meet Saddleback beginning at 3:15. The Placentians may face pitcher Charlie Butler who last Friday hurled 14 innings and struck out 21 batters.

Monday, May third the Bengals host Sonora with the game slated to start at 3:15. Sophomore Jim Peterson may throw at the Tigers, and in his performance last Friday which was against Saddleback he struck out 13 batters and pitched 10 innings.

Troy Tennis Squad Beats Sunny Hills

Troy's Tennis team got back on its feet this week after last week's loss to Sunny Hills with two wins, 19½ to 8½ over powerful Fullerton and a 23½ to 4½ swamping of Lowell on Friday.

The wins gave Troy an impressive 7-1 Freeway record and 12-1 overall. The Warriors trail undefeated Sunny Hills by one game.

On Tuesday, Troy coach Norm Davis put his power in the doubles as did Fullerton. However, the Warriors proved to be too strong in

both doubles and singles. The number one doubles team of Glen Nakazawa and Gary Weinman took 3 out of 4 sets and tied the other. In the singles play Gary Peaslee, Earl Lund, and Bruce Campbell all picked up three points a piece.

Against Lowell on Friday the Warriors, led by Charlie Hobson, John Simmons, Gary Peaslee, and Earl Lund swept all 16 singles points.

Hornets Need One More Win

If the Fullerton Junior College Hornet baseball team is going to clinch the South Coast Conference championship they will have to do it on the road and sometime this week.

The Hornets may already be champions if they defeated Mt. San Antonio yesterday but if they didn't the squad gets their biggest chance against last place Santa Ana J.C. in the final game of the season.

Mt. Sac is in third place but is sitting only 1½ games behind the leaders.

Last Friday FJC kept their one game lead over Cerritos by crushing Orange Coast 17-6.

Hopefully the Hornets just wanted to maintain their lead and did not give it everything they have left in the long season, they got 21 hits and jumped out to an early lead 10-0 in the first two innings.

Troy Baseballers Lose Two Games In League

Troy's two losses this week, 10-6 to Fullerton and 3-1 to Lowell, have virtually eliminated the Warriors from the loop

Championship. The Warriors' Freeway League record now stands at 4-4, three games back of co-leaders Fullerton and Savanna.

On Tuesday against the Indians, Troy coach Nick Fuscardo started senior John Morris to try to stop Fullerton's thundering bats. However, Morris allowed 6 runs before being relieved by Bill Hezmalhalch in the 4th inning. Hezmalhalch and Mark King, who came in the fifth, gave up the remaining 4 runs.

With the help of Jon Davis' three-shot in the first, the Warriors built up an early 4 run lead but that was erased easily in the fourth when the Tribe jumped on Morris.

On Friday against the Lowell nine, the Warriors could do nothing with the Pats' Greg Cochran as he allowed only 3 hits while fanning 14. Junior Bill Hezmalhalch absorbed the loss although he pitched a fine game, allowing only 5 hits.

Cal State Trackmen To Meet San Diego

Cal State Fullerton Track and Field team travels to San Diego this Friday to meet both the University of Santa Barbara and San Diego State in a Triangular meet.

Last week at the Mt. Sac Relays CSF took two first places, winning the sprint medley relay and the mile relay.

The club finished second in the half mile relay and took third place in the distance medley relay.

Titan Ken Larson took

second place in the hammer. Alan Carlson finished second, in two events, the 120 high hurdles and 440 intermediate hurdles. Jerry Jones of CSF finished third in the long jump and triple jump.

FJC Scores First Place In Meet

Fullerton Junior College Track and Field team scored one first place in the thirteenth Annual Mt. San Antonio Relays in Walnut as Gil Antolin threw the Javelin 201 feet, 4 inches to win that event.

Antolin also was runnerup in the Discus. Jim Feeney finished two places behind Antolin in the Javelin. In the 120 high hurdles Brian Poland finished second.

The Hornets are involved in the South Coast Conference pre-lims today and meet in the Conference championships on Saturday.

and Hawk players Tharpe and Kowalski, 3-6, 7-5. Teaming together, Tigers Rudy Kusenda and Wayne Getty downed Tharpe and Kowalski, 6-1, and 6-2, and then split with Nedrow and Post, 3-6, and 7-5.

Okimoto won four straight to pace the Tigers' 21 3/4-1/4 victory over Brea Friday. Hammers and Turnbull won three out of four while Doug Clark won two. In doubles, Bowden and Gavel tallied six points by winning all four matches. Getty and Kusenda aided the winning effort with 3 3/4 points.

Since the loss to Valencia abruptly ended the Hawks league championship hopes, Sherbeck left for the Ojai Tournament in central California. This left the Hawks offenseless against powerfull Laguna. El Dorado fell 22-7 with Bob Backes accounting for four points. Greg Kowalski and Scott Thope won two sets in doubles.

El Dorado Falls To Valencia Tennis Team

Tiger netmen, after winning two straight matches last week, will challenge Saddleback Friday in the final round of Orange League play.

Tuesday Don Brittingham's tennis team met a second place Laguna Beach squad but scores were not available at press time.

Valencia upset intracity foe El Dorado last week, 17 1/4-10 3/4. Number two ranked Dean Okimoto lost his opening match to Dave Sherbeck, the league's number one player, but came back to defeat Backes, 6-1, Wallstrom, 6-0, and Hart, 6-2, from El Dorado.

Sophomore Mike Edge won two out of four as did Phil Hammers and Charlie Turnbull. Steve Bowden and Don Gavel split with ED's Nedrow and Post, 8-6, 6-1,

Duffie To Swim In CIF Meet

Valencia swimmer Dave Duffie qualified at CIF prelims Friday by taking third place in the varsity 100-yard breaststroke. The Tiger senior swam the race in 1:04.0 to qualify for CIF final competition. Finals will be held Friday evening, April 30, at the Belmont Plaza in Long Beach.

Steve Kniess, swimming in the Bee 100-yard breaststroke, missed place time being 1:06.5.

Hawk Batmen Win Sixth League Game

Winning its sixth straight game, including one with Valencia, El Dorado's batmen started the final round of league yesterday at Saddleback.

El Dorado stayed in first place in the Orange League by beating cross town rival Valencia and third place Laguna Beach.

It was Bob DeWeese against Dave Chipman in a repeat of the first round game between the two teams. However, the improved DeWeese won this time, by stopping the Tiger hitting machine, yielding only two runs.

El Dorado surprised Chipman by coming right back in the bottom of the third and scoring two runs. The Hawks belted three hits off the Tiger ace before Jeff Matheisen was called out at the plate on a close play ending the inning. Catcher Gene Kliensmidt accounted for the two RBI's. DeWeese held his own while Chipman gave up another run for a 3-2 El Dorado victory.

Against Laguna, Phil Hendershot pitched his second straight shutout. The Hawks again scored three runs.

Valencians Travel To San Francisco For Conference

Three Valencia journalists and their advisor, Mrs. Emilie Disen, recently participated in a four-day National Journalism Education Association Conference in the "golden gate" city of San Francisco.

Vicki Jones, Celia Castillo and Diana Marshall, along with Mrs. Disen, flew to the conference early Friday

morning, arriving at San Francisco International Airport and then traveling by bus to the Sheraton-Palace Hotel.

Alexander Bodi, editor-in-chief of the Palo Alto Times, and a student panel in which Miss Marshall participated, were included in the opening convocation. Also on the first evening's agenda was a premier showing of "Joe Cocker with Leon Russell in 'Mad Dogs and Englishmen.'"

Advisors were able to attend six different workshops, while Mrs. Disen conducted one entitled, "Add POW to your paper." Workshops were held on editorial writing, sports, news relevancy and included panel discussion, lectures and audience participation.

Following workshops on Sunday morning, the foursome toured San Francisco. Their sightseeing trip included dinner at Alioto's, a seafood restaurant at Fisherman's Wharf, a bay cruise under the Golden Gate Bridge, a cable car ride and shopping sprees at the Cannery and Ghirardelli square.

Also included in the weekend was a trip to Chinatown for dinner and a rock concert with Van Morrison, the Isley brothers and Fanny.

The group returned home Monday.

Filie Places Fifth In State-Wide Contest

Dan Filie of El Dorado High School placed fifth at a statewide journalism contest held Saturday, April 24, at Beverly Hills High School.

The annual contest was sponsored by the Southern California Journalism Education Association. Participants were all finalists from preliminary county contests.

Filie, sports editor for El Dorado's newspaper, earned a certificate and distinguished himself by earning the highest rating El Dorado has ever had at this contest.

Other writers attending the contest were Joe Barrese, Penny Moffet, Diane Savino, Margaret Storil, and Dave Vaughn, from El Dorado, with Kevin Howard and Jan Thomas from Valencia.

This is the first year that six ED writers have qualified for the state finals.

Have you observed the clever coupons Tom Wentworth designs for the Burger Q weekly specials? Besides being an exceptionally clever artist Tom displays an unusual knowledge of American history. For the past several weeks, he has had birthday specials commemorating historical personages such as Thomas Jefferson and Ulysess S. Grant. We would

need to consult historical biographical dictionary to know who is coming up next, but we think we will wait for Tom to enlighten us. Meantime, the coupons are valuable for the delicious products of the grill.
